Subject: Requested Supplemental Statements of Diversion and Use

S000123

Mr. Eddy:

I am mailing you the requested supplemental statements S000124 through S000129 for the reporting years 2002-2004. S000127 does indeed have two sources, Peyton Creek and McFarland Creek. We have no record of use for McFarland Creek. I am also enclosing a (First) Statement of Diversion and Use for McFarland Creek. A separate statement should have been filed for each source. Please complete the form and return it with the supplemental statements and I will process and assign an ID number for McFarland Creek.

I also have enclosed the original statements for S000122 and S000123 for the property you recently purchased, along with two notices of assignment for the ownership change on these two statements. The supplemental statements for these were last sent to the old owner in 2004 for the reporting years of 2001-2003. When I receive the ownership assignments, I will make the changes to our records and these two statements will be included in your next filing in 2008.

Should you have further questions, please either call me at (916) 341-5315, or email me at swilson@waterboards.ca.gov
